Reference.

The Board invites the attention of Government to their Order No. 58 Misc., Revenue, dated 10th January 1933 and to the Board's Reference No. F-5172/32-1, dated 29th November 1932, in which the Board proposed the appointment of a Tahsildar to supervise the special staff. The Collector considers that the officer appointed to supervise the work of the special staff sanctioned in the order quoted above, which consists of Surveyors and Deputy Surveyors, should have knowledge of angular survey and the Special Settlement Officer agrees with him. The Collector also

also represents that the only persons in the district who have undergone the training prescribed for Inspecting Tahsildars are already acting as Tahsildars and that if only an Inspecting Deputy Tahsildar is to be appointed. some one lower in rank will have to be given a month's training in angular survey under the Inspecting Tahsildar of the district before he can be put in charge of the special staff work. He has suggested the name of a Taluk Head Accountant for that purpose. The Special Settlement Officer, however, states that this proposal will lead to further delay in the commencement of work which should be avoided by all means. He also considers that the Head Accountant appointed to the post of Inspecting Deputy Tahsildar would not have the requisite experience to control the Surveyors and the Deputy Surveyors. In view of the urgency of the work and the inadvisibility of appointing an officer from another district, the Board recommends that Government may be pleased to sanction a Special Inspecting Tahsildar on Rs.200-10-300 in lieu of the Special Inspecting Deputy Tahsildar sanctioned in the G.O. quoted above, so that one of the men now acting as Tahsildars may be placed in charge of the special staff. The Board requests the favour of very early orders.

2/ The appointment of a tahsildar instead of a dy tahr is urged on the ground that there are no trained dy tahrs in the dt and that there will be delay before one is trained and appointed. ~~He considers~~ The S.S.O. also considers that the individual who is trained and appointed will not have the requisite experience to control the surveyors and deputy surveyors. The Collr however originally considered that a deputy tahr would be sufficient for the work. The special staff has been sanctioned for a period of two years.

Please see this department's notes on pp.36-3 of G.O.58 Rev., dated 10-1-33. It is not stated that the duties attached to the post require an officer of the standing of a Tahsildar; and the appointment of a Tahsildar is urged on the ground that there is no qualified Deputy Tahsildar. The post is required for 2 years and in the interests of economy even if a Tahsildar is sanctioned, he should be replaced by a Deputy Tahsildar at the earliest opportunity. The Revenue Secretary however points out that the man appointed now should continue in the post. In the circumstance Finance may perhaps agree to the proposal. The draft order may be accepted and the case returned to Revenue.
